Existing law establishes various requirements a dog breeder is required to do with respect to housing and maintaining dogs.

This bill would revise those requirements.

*The people of the State of California do enact as follows:*

SECTION 1. Section 122045 of the Health and Safety Code is amended to read:

122045. (a) This article shall be known and may be cited as the Polanco-Lockyer Pet Breeder Warranty Act.

(b) Every breeder of dogs shall comply with this article. As used in this article, “dog breeder,” or “breeder” means a person, firm, partnership, corporation, or other association that has sold, transferred, or given away all or part of three or more litters or 20 or more dogs during the preceding 12 months that were bred and reared on the premises of the person, firm, partnership, corporation, or other association.

(c) For the purposes of this article, “purchaser” means any person who purchases a dog from a breeder.

(d) This article shall not apply to pet dealers regulated under Article 2 (commencing with Section 122125), or to publicly operated pounds, humane societies, or privately operated rescue organizations.

SEC. 2. Section 122065 of the Health and Safety Code is amended to read:

122065. It shall be unlawful for a breeder to fail to do any of the following:

(a) Maintain facilities where the dogs are kept in a sanitary condition.

(b) Provide dogs with adequate nutrition and potable water.

(c) Provide adequate space appropriate to the age, size, weight, and breed of dog. For purposes of this subdivision, “adequate space” means sufficient space for the dog to stand up, sit down, and turn about freely using normal body movements, without the head touching the top of the cage, and to lie in a natural position.

(d) Provide dogs with a rest board, floormat, or similar device that can be maintained in a sanitary condition.

(e) Provide dogs with adequate socialization and exercise. For the purpose of this article, “socialization” means physical contact with other dogs and with human beings.

(f) Wash hands before and after handling each infectious or contagious dog.

(g) Provide veterinary care without delay when necessary.

SEC. 3. Section 122065.5 is added to the Health and Safety Code, to read:
